

National Advisory Committee for the Canadian Language Benchmarks Essential Skills Projects

The Centre for Canadian Language Benchmarks is pleased to announce the National Advisory Committee (NAC) for two projects funded under HRSDC's Essential Skills initiative: "Online Essential Skills Resources for ESL/FSL Professionals" and "Language Profiling of Tourism Sector Occupations Based on Essential Skills Profiles". Their role is to provide advisory support to both projects. The committee represents a wealth of experience representing both the project partners, SkillPlan and the Canadian Tourism Human Resource Council, and experts in both the Essential Skills and the ESL fields.
